CICE2023 - Invitation for Sponsorship

Rio de Janeiro, January 2022.

Dear Sir/Madam,

We are pleased to announce that the 11th International Conference on Fiber-Reinforced Polymer (FRP) Composites in Civil Engineering (CICE 2023) will be held in the beautiful, fascinating and vibrant city of Rio de Janeiro, Brazil, from 23 to 26 July, 2023. The event is being co-organized by the Pontifical Catholic University of Rio de Janeiro and the University of Pittsburgh.

This is the eleventh in a series of prestigious conferences that began in 2001, in Hong Kong and has circled the world since; this is the first CICE to be held in South America. CICE is the official conference of International Institute for FRP in Construction (IIFC) and brings together the FRP research community and industry to share and discuss recent developments and future perspectives in the field. CICE 2023 will be the first face-to-face meeting of this community since Paris in 2018.

Given the relevance of the event and considering the leadership and involvement of your organization in the field, we invite you to join us as a Co-Sponsor or Supporter of CICE 2023. This is an opportunity for your organization to receive exposure, contribute to the knowledge base of the FRP community and to strengthen ties within and beyond this community.

We offer the sponsorship options given on the following page. Other forms of support and sponsorship are also solicited and may be negotiated with the Organizing Committee. We appreciate your time in considering our invitation and hope you join us as sponsor of this premiere conference in the field of FRP materials in Construction!

We look forward to seeing you in Rio!

Prof. Daniel Cardoso (conference co-chair)

Prof. Kent A. Harries (conference co-chair)

Prof. Scott Smith (IIFC President)

Category (Beach)	Price (USD)	Logo	Tabletop	Mini Course	Lab Use	Opening Reception Sponsor	Registrations Included (\$800 value each)
Copacabana	20,000	✓	✓	✓	✓	✓	5
Ipanema	10,000	✓	✓	✓	✓	-	5
Joatinga	8000	✓	✓	✓	-	-	3
Barra da Tijuca	3000	✓	✓	-	-	-	2
Praia Vermelha	1500	✓	-	-	-	-	1

Logo: logo of the company on the website, videos, banners, program and conference proceedings, with size proportional to the category of sponsorship.

CICE 2023 also welcomes special logo sponsorship for facemasks – please contact the organizers to discuss this opportunity.

Tabletop: space with table for exhibition of products and materials of the company.

Mini course: room and support on the 1st day of the event for a 60-minute course (related to the topics of the conference).

Lab use: access to the Structures and Materials Lab of the Department of Civil and Environmental Engineering of PUC-Rio and use of equipment and technical support for demonstration of products and techniques.

Opening Reception Sponsor: a single sponsor is sought to support the conference reception to be held at the Sugar Loaf (<https://www.bondinho.com.br/>)

Registration: number of full conference registrations (valued at \$800 each).
